

BreezeAIR AC POE

BreezeAIR AC PoE is a 10/100/1000Base-T PoE, optimized for BreezeAIR radios

Specifications

Input voltage	100-240 VAC, 47-63Hz
Output voltage	48VDC
Data pins	1,2 & 3,6 & 4,5 & 7,8
Power pins (output)	4,5 = +48V 7,8 = -48V
Transmission rate	10/100/1000Mbps
Protection Function	Over current protection Short circuit protection Over voltage protection
Dimensions	120x60x34 mm
Weight	<0.25Kg
Temperature	0°C to 40°C
Model: B-ACGPOE-xx	xx = Plug type US = US plug EU = EU plug AU = AU plug UK = UK plug IL = IL plug
